Catfish Blues

Canned Heat

Well I I wished I was a catfish
Swimming deep down in that deep blue sea
I'd have all these women fishing
'Sho nuff after me
After meWell I'm going
Yes I'm goin'
And I won't be back no more
Tell you darling
Don't live here no more
Here no moreYes I'm goin' now
I've been knocked out all night
I'm drunk,I don't know what I'm doin'
But I do feel like (?)Now you're gonna know too
Let's take it back to the country nowThere's a house over yonder
Where the (?) is painted green
Well there's a lot of fine women
Sho' nuff I ever seen
