# Drownin'

## Sponge

Will I hate tomorrow?
Will I hate what I can't see?
I'm doubting
Should I walk around it
Try to be what I can't be
I'm dyingI'm not happy any
I'm just not happy anymore
I'm drownin'I'm not happy any
I'm just not happy anymore
I'm drownin'Suppose you painted the castle of Auvers
But everything you did came alive
And if you painted all these things just to please me
And if you could read my mind
I would never be happyWhat will change tomorrow?
In this sea within a sea
I'm blinded
How long will I be down?
I'm out of air I can not breath
I'm drownin'I'm not happy any
I'm just not happy anymore
I'm drownin'I'm not happy any
I'm just not happy anymore
I'm drownin'
I'm drownin'
I'm drownin'Yeah well I'm, I'm drownin'
Yeah yeah I'm drownin'
Yeah
