For My Love

eeteuk

Walk towards me
I want to hear
The Heaven's singing over you
When you breathe
And look at me
I want to be captured by youGaze into my eyes
And let me know youd fight
Thousands, for my love
Slip your hand in mine
Ask me to dance with you tonight
Just ask me for my loveI want to hide
Whats deep in my eyes
Im scared to be known by you
But when I turn my head
And see you there
I want to be pursuedGaze into my eyes
And let me know youd fight
Thousands, for my love
Slip your hand in mine
Ask me to dance with you tonight
Just ask me for my loveA dream I wont wake from
A story that will never end
The ground your feet walk on
Let me be there, let me be thereGaze into my eyes
Let me know youd fight
Thousands, for my love
Slip your hand in mine
Ask me to dance with you tonight
Just ask me for my loveGaze into my eyes
Let me know youd fight
Thousands, for my love
Slip your hand in mine
Ask me to dance with you tonight
Ask me for my love
