

# DP Gangsta

## Snoop Dogg

[Eddie Talking]

This is a service public announcement going out to all the paper haters  
Now sure sure sure your broke sure sure sure your having problems  
Food stamps didn't come on time and the lights have been cut off

But look here[Snoop]

Here's a little something about a nigga like me  
I never should have been let out the penitentiary

Snoop Dogg would like to say

That I'm a crazy motherfucker when I'm playing with my AK

Since I was a youth I smoked weed out  
Now I'm that motherfucker y'all read about  
Smoking you and your crew, taking a life or two  
You don't like how I'm living well fuck you

This is my gang nigga No Limit

My nigga see will fuck you up in a minute  
With the pow pow bang bang and your dead  
And then we stamp that tank on your forehead

Everywhere we go they say "DAMN"

Them gangstas they be fucking up the program

And then you realize we don't care

We don't just say no we to busy saying yeah

About drinking straight out the bottle

Do I look like a motherfucking role model

To a kid looking up to me

Shit life ain't nothing but weed and money

Shit I'm that type of nigga that's quick to blast

Fuck with me or C and I'll put my foot in your ass

I don't give a fuck 'cause I keep selling

Yo what the fuck are the yelling[Chorus: x2]

Gangsta Gangsta that's what the yelling

Niggas living rowdy and stay 'bout it 'bout it

Gangsta Gangsta that's what the selling

Bitches want to buy it cause they love that straight G shit[Snoop]

Homies all standing around just hanging

Some dope dealing some gang banging

We decide to roll a week deep

Seen a nigga on Dayton so we creep

Real slow, in you before you know

I had my double pointing at his window

He got scared and hit the gas  
Right then I knew I had to smoke his ass  
He kept rolling I jumped in the bucket  
We couldn't catch him so I said fuck it  
Then we headed right back to it  
Sweating all the bitches in the dizzy dukes  
We couldn't no play from the ladies  
With seven niggas in a Nav is you crazy  
She was scared and it was showing  
So we all said "FUCK YOU BITCH" and kept rolling  
To the hood now we was 'fen to  
Find something else to get into  
Like some pussy or in fact  
Getting rowdy, shit but we caught the rat pack  
On a nigga cold nutting it off  
Snoop Dogg gets ignorant when I'm fucking with my tank dogs  
I might stumble and still won't lose  
Now I'm draped in my gangsta blue's  
Cause I'm the type of nigga who's quick to blast  
Fuck with me or see and I'll blast your ass  
See I don't give a fuck cause I keep bailing  
Yo what the fuck are they yelling[Chorus][Snoop]  
Hold hold on Craig B cut that shit man  
Man fuck that we need some gangsta in this motherfucker some other  
That south shit know what I'm saying  
Some of that shit from the thiz-ird ya heard me[Snoop]  
Here's another gangsta down to ride  
A T-shirt and Levi's is his only disguise  
He represents the tank but yet hard to hit  
Snoop Dogg and C-Murder with this gangsta shit[C-Murder]  
Well I'm C-Murder the one he talking about  
Nigga tried to play me close and got punched in the mouth  
Fed's tried to get me you know they some haters  
I said "See you later" jumped in the Navigator  
With the fifties in the back with the navy blue top  
True niggas on the scene with the triple beam  
Cause I'm the see fool I slang and Snoop bang  
And I'll smoke a motherfucker like it ain't no thing  
To all my bitches, I know your jocking my crew[Girls]  
We want to fuck you C[C-Murder]  
I want to fuck you too  
You see No Limit niggas don't take no shit  
So let me tell you motherfuckers who you fucking with  
Cause I'm the type of nigga that's quick to blast  
If you fuck with me, I'm a smoke your ass

I don't give a fuck cause No Limit stay selling  
Yo what the fuck are they yelling[Chorus][Eddie]  
If you'd have just stayed down and been a motherfuckers real partner  
You wouldn't have had that problem  
But seeing as you want to jump ship  
And you thought the ship would sink a motherfucker without turning into a submarine,  
Went under water came back up with a periscope looking at your bitch ass  
Now you have no paper, and now you on a paper caper  
Now you coming up to my face and your saying "Hey can I hangout"  
I say no cause you ain't got no clout bitch get out  
Now I'm tired of all you silly as motherfucking paper chasing hoes  
This has been a public service announcement from No Limit Records  
In the Doggy Dogg world
