

La Contestacion

Los Lonely Boys

Has it even been so hard on you
To carry on baby I'm here for you
Has it ever felt like it's the end
Well just look at me again and you will surely find
The answer to everything
If you take a look inside yourself
You will surely find me there
To comfort you
Baby can you feel it
When I'm holding you close to me
I want to hold you tight and treat you right
Baby I just want you to know
When your with me
You will never need to cry
Cause I'll be by your side
To give all my love to you
