Coin Operated Boy

Porcelain and The Tramps

Coin operated boy
Sitting on the shelf
He is just a toy
but i turn him on
And he comes to life
Automatic joy
That is what i want
Oh
Coin operated boy
Made of plastic candy-lastic
He is rugged, and long lasting
Who could ever, ever ask for more?!
Love without compications galore!
Many shapes and wieghts to
choose from
I will never leave my bedroom
I will never cry at night again!
Wrap my arms around him and pretend!
Coin operated boy
all the other real ones that i destroyed
And i hold a candle to my new boy
And ill never let him go,
And ill never be alone,
And ill never let him go,
And ill never be alone,go,
And ill never be alone,go,
And ill never be alone
Not with my coin operated boy
This song wat written
To make you feel smitten
And with my sad picture
Of girl getting bitter
Oh, can you extract me
From my plastic fantacy
I didnt think so
But im still convincable
Will you persist even
Ater i bet you a million dollars
That ill never love you

And leave you persisting
After i kiss you
Goodbye for the last time
Will you keep on trying?
To prove that im dying
To lose it...
Im losing!
My comfort i want it,
I want it,
I want it,
I want it,
I want it,
I want it,
I want it,
I want it,
I want you,
I want A....
Coin operated boy
If i had a star to wish on
For my life
I cant imagine
Any flesh and blood can be his match
I can even take him in the bath
Coin operated boy
He may not be real,
Or experianced with girls,
But i know he feels
Like a boy should feel
Isnt that the point?
That is what i want
A
Coin operated boy
With a pretty coin
Operated voice
Saying that he loves me
That hes thinking of me
Straight to the point
That is why i want
A
Coin operated boy
