

Hit The Floor

Bullet For My Valentine

I see you walking home alone
Your face is alive and bright
But you can't see how weak you are
'Cause I could end it tonight
It's the feeling you get when you think
That someone behind is watching you
Well, I can tell you now that someone is me
And I'm about to make it right
Why do you take it all? Why do I beg for more?
I never thought that this is how I'd hit the floor
Why do you take it all? Why do I beg for more?
I never thought that this is how I'd hit the floor
I creep up from behind, touch your neck
Move down your spine
You take a look and breathe so sharp
Just a matter of time
Don't scream, I ask of you but then you let one out
So now it's time to go
I come down on you like a ton of bricks
All over so it's time to go
Why do you take it all? Why do I beg for more?
I never thought that this is how I'd hit the floor
Why do you take it all? Why do I beg for more?
I never thought that this is how I'd hit the floor, hit the floor
Why do you take it all? Why do I beg for more?
I never thought that this is how I'd hit the floor
Why do you take it all? Why do I beg for more?
I never thought that this is how I'd hit the floor
Take this for me, I don't wanna hurt you
Take this for me, I don't wanna hurt you
