

Something (Peter Luts Remix)

[Lasgo](#)

I don't wanna say I'm sorry
'Cause I know there is nothing wrong
Don't be afraid there is no need to worry
'Cause my feelings for you are still strong Hold me in your arms
And never let me go
Hold me in your arms
'Cause I need you so I can see it in your eyes, there is something
Something you wanna tell me
I see it in your eyes, there is something
That you hide from me
Is there a reason why? There is something
Something you wanna tell me
I see it in your eyes, there is something
That you hide from me I don't wanna say I'm sorry
'Cause I know there is nothing wrong
Don't be afraid there is no need to worry
'Cause my feelings for you are still strong
Hold me in your arms Hold me in your arms
And never let me go
Hold me in your arms
'Cause I need you so I can see it in your eyes, there is something
Something you wanna tell me
I see it in your eyes, there is something
That you hide from me
Is there a reason why? There is something
Something you wanna tell me
I see it in your eyes, there is something
That you hide from me
