My Life

Galactic Cowboys

Living by the turn of a phrase
Judging by the look on a face
I confuse, always do, and abuse, don't mean to
Then excuse, always do, in the end, I lose
Everything I do hurts someoneMy lifeActing on an impulse of pain
Spinning on a perilous plane
With a word I confuse, I hurt and abuse
Worry, then excuse, in the end I lose
Everything I do hurts someoneMy life
