

Make Me Wanna Holla

Esham

[Esham talking]The wicketshit continues
After I told these niggaz to stay off my dick
They still on my dick trying to bite the wicketshit
Niggaz still wanna know what Esham mean
Esham stands for East Side Hoes And Money
That's what I'm all about
But for all y'all niggaz bitin the wicketshit
And tryin to bite the style
I want you to think about one thing
[Samples Rakim]Remember me? The one you gotcha idea from
Back in this bitch... yo for the 9-4
I gotta let these niggaz know once again
That I'm comin like this
They said the wicketshit was dead (dead)
Some ol' wicketshit ain't never dead
I gotta let y'all hoes know I'm comin back on yo ass
I stopped believing in god about a year ago
In god I can't trust but uh you don't hear me though
Cause my life in the sunshine ain't sunny
A suicidalist
My memory's on the bliss
But can you really dig what I dug if I drug

The life of a thug caught a .45 slug
I wish I was dead
But I'm fucked up in the head
Cause I'm kinda hesitant to kill myself
But I hate life
Life ain't nothin but money
And it ain't funny when your honey gets runny
I wish I was down but my mind spins round and around
And how many times can dead bodies be found
But you don't understand the tales of a madman
Unholy comin at your ass once again
Amen, and I don't give a fuck though
Sometimes I feel like giving up yo
It makes me wanna holla
chorus 2x
