

Crawling

Green River Ordinance

I'm crawling in your heart
Love and moderation
Is all you ever gave, but look inside
'Cause the sting of this sensation
It flickers like a drug there in your eyes

Can you feel it, with your body?
The more you pull the road is tightens
And you follow the moments
To the place you've been to find
I'm crawling in your heart
Uh, uh, uh
Crawling in your heart
Uh, uh, uh

You envy all the others
? through the worst just to feel the heart
And will you ever see it
It's me here by your side!

Love and moderation
Is all you ever gave, but look inside
'Cause the sting of this sensation
It flickers like a drug there in your eyes

Can you feel it, with your body ?
The more you pull the road gets ?
And you follow the moments
To the place you've been to find
I'm crawling in your heart

When you feel it, don't fight it
We can still await ?
when we follow the flashes
Of the love we picked to ?
I'm crawling in your heart
I'm crawling in your heart
I'm crawling in your heart (I still want, I still want)
I'm crawling in your heart
I'm crawling in your heart

I'm crawling in your heart
