

Sorry

Ciara

All I wanna say...
Girl I wanna say...
I'm saying that I'm sorry...
Ooh ooh, ooh, ooh
August 4th, we were chilling at the house
Said I'm done, I told you to get out
Didn't mean a word that I said
Cause I was hoping you would come back
Cause I tried and tried
And I cried and cried
Up late at night and I hurt
And I tried to fight and I cried to god
Oh please let it just work
And I'm going crazy with you
You got me so confused
Cause you walked away, and I walked away
And we should've stayed baby
All you have to do is say that I'm sorry
Baby I'm sorry
And I'm in love with you
Baby I want this, baby I want this
Say baby I'll do what it takes
And I will be here all the way baby
All you have to do is say that I'm sorry
Baby I'm sorry
You wanna know if I was moving on without you
I miss you, miss you, miss you, I miss you
To tell the truth i've thinking bout you lately
I miss you, miss you, miss you, I miss you
Christmas day, you said you had a ring
But you changed your mind
Too caught up in the streets
Boy your truth is hard to believe
Why are you really scared of me
Cause I tried and tried
And I cried and cried
Up late at night and I hurt
Cause I put in mine and

Worked all the time

And you never put in your work

And I'm going crazy with you

You got me so confused

Cause you walked away, and I walked away

And we should've stayed baby

All you have to do is say that I'm sorry

Baby I'm sorry

And I'm in love with you

Baby I want this, baby I want this

Say baby i'll do what it takes

And I will be here all the way baby

All you have to do is say that I'm sorry

Baby I'm sorry

You wanna know if I was moving on without you

I miss you, miss you, miss you, I miss you

To tell the truth i've thinking bout you lately

I miss you, miss you, miss you, I miss you

I miss the way you hold me

The way you touch me

I miss the way you kiss me yeah

All I wanna do, do, do, do, do

All I wanna do

Is say that I'm sorry, sorry, sorry, sorry

So sorry baby

All you have to do is say that I'm sorry

Baby I'm sorry

And I'm in love with you

Baby I want this, baby I want this

Say baby i'll do what it takes

And I will be here all the way baby

All you have to do is say that I'm sorry

Baby I'm sorry

You know I think about you sometimes

I wonder how you are

Are you happy

You see I know

What we had was special

And I know you know it too

I miss you

I really miss you...
