Sing It Back

Moloko

When you are ready, I will surrender

Take me and do as you will

Have what you want

Your way's always the best wayI have succumbed to this passive sensation

Peacefully falling away

I am the zombie, your wish will command me Laugh as I fall to my kneesCan I control this empty delusion?

Lost in the fire below

And you come running

Your eyes will be openAnd when you come back, I'll be as you want me

Only so eager to please

My little song will keep you beside me

Thinking your name as I singSing it back to me

Sing it back to meNo, you can't help it if you have been tempted

By fruit hanging ripe on the tree

And I feel useless, don't care what the truth is

You will be here, come the dayTruth, do you hear me? Don't try to come near me

So tired I sleep through the lie

If you desire to lay here beside me

Come to my sweet melodySing it back to me

(Sing it)

Bring it back

(Sing it)Sing it back

(Sing it)

Bring it backSing it back to me

(Sing it, sing it, sing it)

(Sing it back to me)

Bring it backSing it back

Bring it back

Sing it back to me
