Whatever

Oasis

I'm free to be Whatever I, whatever I choose And I'll sing the blues if I wantI'm free to say Whatever I, whatever I like If it's wrong or right it's alrightAlways seems to me, you only see What people want you to see How long's it gonna be?Before we get on the bus And cause no fuss Get a grip on yourself It don't cost muchFree to be Whatever you, whatever you say If it comes my way it's alrightYou're free to be Wherever you, wherever you please You can shoot the breeze if you wantIt always seems to me, you only see What people want you to see How long's it gonna beBefore we get on the bus And cause no fuss Get a grip on yourself It don't cost muchI'm free to be Whatever I, whatever I choose And I'll sing the blues if I wantHere in my mind You know you might find Something that you You thought you once knewBut now it's all gone And you know it's no fun Yeah I know it's no fun Oh, I know it's no funI'm free to be Whatever I, whatever I choose And I'll sing the blues if I wantI'm free to be
