

The Hunter

Blue Cheer

They call me the Hunter
And that's my name
A pretty girl like you
Are my only game I bought me a love gun
Just the other day
And I aim
To aim it your way Ain't no use to hide
No there ain't no use to run
'Cause I got you in the sights of my
My love gun, my love gun, my love gun
God-dammed! The first time I saw you
Walkin' down the street
I said to myself
"Boom! Boom! Ain't she sweet!" I got my love gun loaded
Loaded with a-huggin' and kissin'
And when I pull the trigger
There ain't gonna be no missin' Ain't no use to hide
No there ain't no use to run
Cause I got you in the sights of my
My love gun, my love gun, my love gun
God-dammed! They call me the Hunter
That's my name
A pretty girl like you
Are my only game I got my love gun loaded
Loaded with a-huggin' and kissin'
And when I pull the trigger
There ain't gonna be no missin' Ain't no use to hide
No there ain't no use to run
'Cause I got you in the sights of my
My love gun, my love gun, my love gun
God-dammed!
