

# Why Do I Get Stuck When You Arrive?

## Kingswood

Now I watch you in slow motion, I'm immersed in it  
I confirm with it, you're working it  
I don't even feel the notion, no reserve in it  
No diverting it, return to it Now we're just a little different and I'm used to it  
I know we used to fit, no refusing it  
Now I'm gonna stop resisting, think I'm used to it  
Let it diffuse a bit, re-using it Why do I get stuck when you arrive?  
Why do I get stuck when you arrive?  
Why do I get stuck when you arrive?  
Why do I get stuck when you arrive?
