This Is The Time

Epica

This is the time,
we waited too long,
and I?m wondering: where I belong?
we have lost; we?re out of control,
when we fail nature speaks to us all.
[This is the time]I?ll tell you why the world?s left alone,
now?s the time to make right what?s wrong,
we have lost; we?re out of control,
if we?re stray can we hear nature?s call?
when we fail nature speaks to us all.
This is the time,
So what?s the world to be? Just a luxury?
a temporary scene,
but what have we got when is gone away? And
we need to come to see, what the earth should be: a sanctuary free,
a renewed paradise still alive.
This is the time,

The sky and the sea,
we speak the paragons, we planted the seed,
we have lost; we?re out of control
if we?re stray can we hear nature?s call?
when we fail nature speaks to us all.
This is the time,
so what?s the world to be? Just a luxury?
a temporary scene,
but what have we got when is gone away? And
we need to come to see what the earth should be: a sanctuary free,
all that we?ve sacrificed, in the end has its price,
a renewed paradise still alive in our?
[Ohhh...] [Vocal]This is the time,
so what?s the world to be? Just a luxury?
a temporary scene,
but what have we got when is gone away? And
we need to come to see what the earth should be: a sanctuary free,
all that we?ve sacrificed, in the end has its price,
a renewed paradise still alive in our eyes?
