

I'm Here, I'm Not Here

Julia Stone

Living in this room, but I don't really want to.
Living in this home, but I don't really want to.
Live inside a dream, but we're all on the same team.
We would all agree there's things we don't know.

Put me in a corner and I won't make a sound.
After you both lose your heads, I'll be what you found.
While you fight it out, I'll be quiet like a clown.
I'll build my world around the things I don't know.

I'm here, I'm not here.
There's nothing that I know for sure.
You're here, you're not here.
How long can this all go on for?
Oh, I don't know.

Wrap me up in blankets and push me down the stairs.
Leave me in the burning house and tell me how much you care.
I live inside a world, where words won't carry heard
And I will try to learn the things I don't know.

I'm here, I'm not here.
There's nothing that I know for sure.
You're here, you're not here.
How long can this all go on for?

Live inside a dream, but we're all on the same team.
We will all agree there's things we don't know.
Live inside a dream, but we're all trying to reach
We're all trying to see those things we don't know.

I'm here, I'm not here.
There's nothing that I know for sure.
You're here, you're not here.
How long can this all go on for?

I'm here, I'm not here.
There's nothing that I know for sure.
You're here, you're not here.

How long can this all go on for?

Oh, I don't know.
