This Is My Song

Petula Clark

Why is my heart so light Why are the stars so bright Why is the sky so blue Since the hour I met youFlowers are smiling bright Smiling for our delight Smiling so tenderly For the world, you and meI know why the world is smiling Smiling so tenderly It hears the same old story Through all eternityLove, this is my song Here is a song, a serenade to you The world cannot be wrong If in this world there's youI care not what the world may say Without your love there is no day So Love, this is my song Here is a song, a serenade to youI care not what the world may say Without your love there is no day So Love, this is my song Here is a song, a serenade to you
