

If Your Love Is Real

David Gray

Three days spent staring at your photograph
Read your letter made me laugh
But there's a shadow on the path
Till I know, if your love is real
'Cause it's not as if a lot was said
Falling in and falling out of bed
But now the worlds turned on its head
Till I know, if your love is real
Spent a long time now persuading myself
That I don't need no one, nobody else
That I'd felt all there was to feel
I'm in a daydream now I'm out to lunch
And should it come down to the crunch
I'm wide open for that sucker punch
Till I know if your love is real
Till I know if your love is real
Spent a long time now persuading myself
That I don't need no one, nobody else
And who I was, I could conceal
I know if I should live one hundred years
I'd never see another face like yours
On stranger seas or brighter shores
'Cause I know that my love is real
