

I Pray for You

Big & Rich

La la la la la
La la la la la la la
La la la la la
La la la la la la Sometimes when I sleep
I can see you walkin' back to me
And sometimes I wake up
'Cause I swear I felt your touch Then emotions overcome me
And the darkness is so cold I light a candle, watch it burn
I feel the angels come and fill this room
Oh, when you're gone, I miss you so much
I do the only thing I can do, I pray for you, I pray for you La, la la la
La la la la la la Every minute of the day
I can clearly see your face
And every minute we're apart
Oh, you know, it just breaks my heart I'm so lonely but I'm okay
'Cause I know we'll be together again And I'll light a candle, watch it burn
I feel the angels come and fill this room
Oh, when you're gone, I miss you so much
I do the only thing I can do, I pray for you, I pray for you
Oh, I pray for you "Please hold her and protect her
'Til she's back here in my arms again
Oh, and tell her how I love her
And I'll be waitin' right here forever, amen "I feel the angels come and fill this room
Oh, when you're gone, I miss you so much
I do the only thing I can do, I pray for you, I pray for you Oh, la la la la la
La la la la la la la
La la la la la
La la la la la la la La la la la la
La la la la la la la
