

Athens To Athens

[Joe Bonamassa](#)

I'm gonna leave my girl you should see

She is so fine

It's Better Athens to Athens

Kinda day and night

I'm gonna go into town

Going to try to flag a ride

It's Better Athens to Athens

Kinda day and night

I'm gonna watch the sun come up

Fires gonna rise

It's Better Athens to Athens

Kinda day and night

It's Better Athens to Athens

Kinda day and night
