Darn That Dream

Miles Davis

Love is a strange and powerful thing
It can bring you down or make you sing
Love may give you a millionaire skin
But it only gave me one dreamDarn that dream, I dream each night
You say you love me and you hold me tight
But when I awake, you're out of sight
Oh, darn that dreamDarn your lips and darn your eyes
They lift me high above the moonlit skies
Then I tumble out of paradise
Oh, darn that dreamDarn that one track mind of mine
It can't understand that you don't care
Just to change the mood I'm in
I'd welcome a nice old nightmareDarn that dream and bless it too
Without that dream, I never would have you
But it haunts me and it won't come true
Oh, darn that dreamDarn that one track mind of mine
It can't understand that you don't care
Just to change the mood I'm in
I'd welcome a nice old nightmareDarn that dream and bless it too
Without that dream, I never would have you
But it haunts me and it won't come true
Oh, darn that dreamDarn that dream
