

Lies Greed Misery

Linkin Park

[Verse 1] [Mike Shinoda]Imma be that nail in your coffin

Saying that I softened

I was ducking down to reload

So you can save your petty explanations

I don't have the patience

Before you even say it I know

You let your pride or your ego

Talk slick to me, no

That is not the way I get down

And look at how you lose your composure

Now let me show ya

Exactly how the breaking point sounds

[Chorus] [Chester Bennington]I want to see you choke on your lies

Swallow up your greed

Suffer all alone in your misery

Choke on your lies

Swallow up your greed

Suffer all alone in your misery

[Verse 2] [Mike Shinoda]What is it you want me to tell ya?

I'm not the failure

I would rather live and let be

But you came with the right kind of threat to

Push me to let you

No, you can't intimidate me

You disrespect me so clearly

Now you better hear me

That is not the way it goes down

You did it to yourself and it's over

Now let me show ya

Exactly how the breaking point sound

[Chorus] [Chester Bennington]I want to see you choke on your lies

Swallow up your greed

Suffer all alone in your misery

Choke on your lies

Swallow up your greed

Suffer all alone in your misery

I want to see you choke on your lies

Swallow up your greed

Suffer all alone in your misery
Choke on your lies
Swallow up your greed
Suffer all alone in your misery
[Bridge] [Chester Bennington] You did it to yourself
You did it to yourself
You did it to yourself
You did it to yourself
YOU DID IT TO YOURSELF!
YOU DID IT TO YOURSELF!
YOU DID IT TO YOURSELF!
YOU DID IT TO YOURSELF!

[Chorus] [Chester Bennington] I want to see you choke on your lies
Swallow up your greed
Suffer all alone in your misery
Choke on your lies
Swallow up your greed
Suffer all alone in your misery
