

Wishing Well

Calloway Circus

Verse: 1 I remember
when I hit restart
I was eight
Filled my heart
I felt free
like someone new
But I watch TV
and I saw the news
i saw people saying things
that didn't make much sense to me
they said it wasn't right to be with who you felt like you just need
I guess because you don't hear me praying
I automatically worship satin
I can't have my own way of doing things
I gotta be like them and pretend I have wings
Chorus: You, Naysayers,
You, You say we're not believer's Yeah we'll be fine
Yeah we'll be fine
Verse: 2 New groups of people, every year
They make millions by spreading fear
They say you should be afraid
and then sit back while they get paid
They say you're wrong
and going to hell
if you don't pay this wishing well
Don't Misinterpret
I Know he see's us
But scaring people to love
isn't something I agree with.
Chorus:
You, Naysayers,
You, You say we're not believer's Yeah I will be fine
Yeah I Will be fine
Bridge: My reasons
my weakness
my lord
my life
It's my life, I'll be fine
My reasons
my weakness
my lord

my life
It's my life, I'll be fine
I read the book
from front to back
you all look like maniacs
walking around, spreading fear
don't you know the end is near
This started with love
It was no mistake
but you just keep on spreading hate
Love is good
Darkness to light
don't you remember the sacrifice?
I'm sorry that we don't sell hatred
I'll keep loving while you keep faking
criticize the more I ask
and hide behind your perfect mask
Chorus: Yeah We'll be fine
Yeah We'll be fine
Yeah We'll be fine
Yeah We'll be fine
Yeah We'll be fine
