## Terrorvision

I'm the man who came to dinner  
Said I wasn't stopping long  
I brought a present wrapped in misery  
And a bottle of sad songs  
You still said  
Come on in  
Make yourself at home  
Would you like a drink  
Let me take your coat I stand well back in the corner  
With a sneer on my face  
I've got the weight of the world on my shoulders  
Ready to fall on this place And I felt like one of the family  
And I could be whoever I want to be I took you down to the sea  
And let you swim in deep blue water  
Sunk your suspicions but then  
You couldn't get back to the shore
