

# Breaking My Own Heart

## Haste the Day

Left to my ambitions, I find myself  
Feeling short of breath and losing hope again  
When will I be free? When will I feel alive?  
I am at my end and I can't breathe, everything I do is useless  
I can't do this on my own and I'm fading  
Too many times I've left in silence  
This time I won't give up so soon  
Crying out for some relief, I keep breaking my own heart  
Giving up on my resolve, I keep trying but I keep failing  
This all seems so familiar, I think we've been here once before  
Saying sorry once again, saying sorry once again  
I can't breathe, everything I do is useless  
I can't do this on my own and I'm fading  
Too many times I've left in silence  
This time I won't give up so soon
