Who's Been Talking

The Misunderstood

My baby caught a train
Left me all alone
My baby caught a train
Left me all alone
You know I love her
She been doing me wrong

My baby bought a ticket
Long as my right arm
My baby bought a ticket
Long as my right arm
She was my baby
She been doing me wrong

Oh who's been talking
Telling everything I do
Oh tell me who's been talking
Telling everything I do
You know you my woman
But you here to lose

Well now good bye baby
If I don't see you no more
Well now good bye baby
If I don't see you no more
You know I love you
I'm the causing of it all

My baby bought a ticket
Long as my right arm
My baby bought a ticket
Long as my right arm
You know I love you
I'm the causing of it all

I'm the causing of it all
I'm the causing of it all
I'm the causing of it all
I'm the causing of it all
I'm the causing of it all

I'm the causing of it all
