

# Higher & Higher

## The Blackout

You tear me down with, cause I'll be worry  
I won't leave the broke of day  
But up I carry the had in, take you home and take your pain That's it, you're sad, blind trust, of misled  
Her trust ' got hard, too bad Where you taking at? Tonight  
You got me burning like fire  
And no freaking that will come alive  
Will take it higher and higher We can never be discover, you don't want to same  
So don't start swearing cause you're heart's tearing  
Love is just a game That's it, you're sad, blind trust, of misled  
Her trust, got hard, too bad Where you taking at? Tonight  
You will be burning like fire And no freaking that will come alive  
Will take it higher and higher, Got hungover just woke from blacking out  
Next to my shoulder, trying to find a way to sneak out  
Freaked out, I don't think my playing days gonna be over with  
Every Friday I'm in love with a new think I need to find a way to chill Where you taking at? Tonight  
You got me burning like fire  
And no freaking that will come alive  
Will take it higher and higher, higher and higher, higher and higher,  
higher and higher, higher and higher, higher and higher, higher and higher,  
higher and higher.
