Mr. Proudhead

Aber. INC

Hi Mr Proudhead
How are you doing today
Tell me now can you live with yourself?
Well Mr Proudhead
Looks like you failed at the end
You are a scared child
No need to pretend

Ref.
so afraid of feeling pain
You choke your heart and live in vain
Why can't you let them in
are you scared it will be your last sin
X2

Vers 2
Oh Mr Proudhead
You are shitfaced again
Tell me why
are you tired to pretend?
Well Mr Proudhead
your life hasn't yet end
Are you gonna do something
Or keep on pretend

Ref.
So afraid of feeling pain
You choke your heart and live in vain
Why can't you let them in
are you scared it will be your last sin
x2

Mr Proudhead
Oh x4
