

Let's Just Go to Bed

Stella Soleil

I like this boy with baggy jean
Makes it hard when he looks at me
He's so cool got that face
That says come on girl
Let's go play
And this little voice
In my right ear
Says play it safe
You've already been here
But to my left
As clear as day
I heard a big big noise
Saying give it away What's a girl to do
When she really wants to
Kinda come as a package deal
And don't get me wrong
I really want to love this dress
But what's a boy to do
When it comes with the rest
Na na na na na Na na na na na
I suspect
I could be the best
Na na na na na Na na na na na
Ah hell let's just go to bed This feels like pornography
But what's it gonna be like
In the morning boy
He's so sure it'll be the same
But I know the rules
In this heartbreak game
And this little voice
In my right ear
Says play it safe
You've already been here
But to my left
As clear as day
I heard a big big noise
Saying give it away What's a girl to do
When she really wants to
Kinda come as a package deal

And don't get me wrong
I really want to love this dress
But what's a boy to do
When it comes with the rest
Na na na na na Na na na na na
I suspect
I could be the best
Na na na na na Na na na na na
Ah hell let's just go to bed
