

Glow

Porches

I wanted to glow all night
I want you to know that I was right
So I tell myself that I
 Won't take it back
 I won't take it back
 I want to believe in it
I want to know that you needed it
 But you tell yourself that
 You won't take it back
 I won't take it back
 I tell you the truth
 You tell it to me too
 I know I need you
You know that we are through
 I drive by your house at night
I hate to think that you think he's right
 But you say that I'll be fine
 You won't take it back
 I won't take it back
 I guess all that I can do
Is try to stop thinking about you
 But if you wanted to
 I'd take it back
 If you take me back
 I tell you the truth
 You tell it to me too
 I know I need you
You know that we are through
