cardboard crown across the side says fragile
shirt unbuttoned, pleasure fool, I'm agile
ripped up forms, men with swords tear the flesh
eyes like shadows one way ticket marakeshno doors or windows caught on fire high speed train
smashed up lives torrential downpour I need pain
stuntman's wife back-alley mattress wrath of addicts
underwater second language mathematicsrun like a racehorse outright madness under the bridge we'll make out like banditsmake a stop

go away
fight it off
hit it hard
dig a hole
show the waytake a dive
break it up
make it bleed
dry now
call it off
kick it out
let it breathe
die downMotion sickness dry and yellow heaven beckons
tornado warning target practice seven seconds

russels viper 3am midair collisionsilly girls and beat up boys all goin fast
lightin fires killin music blowin glass
whispered fury deepest secrets separate treasures
