Road Runner

The Zombies

I'm a road runner honey'Cause the road runner honey
Baby that's all I am to you
Yeah the road runner honey
Now I know that, that's true
Move over baby, I'm going to drive
Oh, oh'Cause the road runner honey
Baby that's all I am to you
Yeah the road runner honey
Now I can see that it's true
No
Move over baby, I'm going to drive
No'Cause the road runner honey
Baby that's all I am to you
Yeah the road runner honey
Now I can see that, that's true
Move over baby, I'm going to drive
