

# Flamenco's Fuckin' easy

## Murder by Death

Life in the city  
Everyone's busy  
Packin' portfolios to kill competitionHey boss, hey boss, I'm capable of making your life easier but I'm drunk  
on promotionsCan I get you some coffee?  
Can I make you some copies?  
Have you seen my resume? I'm a regular go-getterHey boss, hey boss, I'm capable of making your life easier  
but I'm drunk on promotionsI'll take the slow life  
Like a cowboy strayin' 'cross the open plains  
Wandering without fear of a mondayHey boss, hey boss, I'm capable of making your life easier but I'm drunk  
on promotions
