

In the Way

Magnapop

Leave me out
I'm the last one
Can't you see I'm waiting
Go ahead
And I won't count
You know I am in the way
And I can't stop it
I don't want to help it now
No
My life comes
I'm the last one
No consideration
Go ahead
And I won't count
You know I am in the way
And I can't stop it
I don't want to help it now
No
Turn it out
So make it last now
Take the fun away
Go ahead
And I don't count
You know I am in the way
Turn it out
Make it last forever (make it count?)
Turn it out
Make it last forever (make it)
Leave me out
I'm the last one
Can't you see I'm waiting
Go ahead
And I won't count
You know I am in the way
Turn it out
Make it last forever (make it count?)
Turn it out
Make it last forever (make it count?)
Turn it out

Make it last forever (make it count?)

Turn it out

Make it last forever
