

Long Distance Kisses

Larry Hosford

Long distant kiss's
Can make a man cry
Their worst than a rainstorm
on the fourth of July

But I'll get on the hotline to your heart
and make you a call
long distant kisses mean nothin' at all

Well your much too pretty
your beginning to glow
You know that I'm on the line
it's beginning to show

I know that you think of me every time
I think of you
Operator let's put another call in

Long distant kiss's are break my heart
Their worst than the way I feel
whenever we part

But I'll get on a hotline to your heart
and give you a call

Long distance kiss's mean
nothing at all

Reverse the charges
and get right back to me
I know that if I talk a lot
then maybe you'll see

that I'm gonna think of you
every time you think of me
but this station to station romance
is a kill'n me

Long distant kiss's
are ruinin' my day

Their worst than a foolish man
with nothin' to say

But I'll get on a hotline to your heart
and give you a call
Long-distance kiss's mean nothin' at all

But I'll get on a hotline to your heart
and give you a call
Looooong distance kiss's mean nothin' at all
