

Give Me All Your Love Tonight

Whitesnake

When I first saw you baby
You took my breath away,
I knew your name was Trouble
But, my heart got in the way
I couldnt stop myself from reaching out,
I could not turn awayI dont even know your name
An I cant leave you alone,
Im running round in circles
Like a dog without a bone
I know the game youre playingBut, baby I just cant let goSo give me all your love tonight,
Give me all your love tonight
Ill do anything you want
Just give me all of your loving tonightIll work hard everyday
To love and treat you right.
Ill rock you in the morning
And roll you in the night.
Any way you want
Im gonna prove my love for you.So give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonight, tonight, tonightSo give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonightSo give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonightI am blinded by your smile
And Im crazy about your walk
I shiver and I shake
When I hear you baby talk
Im a fool for your loving babe,
Give me all your loving tonightSo give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonightAnything you want from meSo give me all your love tonight,
Give me all your love tonight
Ill do anything you want,
Just give me all of your loving tonight, tonight, tonight
