Cheaper Than Free (feat. Dave Stewart) [Remaster]

Stevie Nicks

What's cheaper than free?
You and me
What's better then alone?
Going homeWhat does money not buy?
You and I
What's not to feel?
When love is realWhat's faster then a fast car?
A beating heart
What's deeper then a deep well?
The love into which I fell
More important then freedom?
Being near
More exciting then our fashion?
High passionWhat's brighter than a smile?
You child, you child
What's brighter than a smile?
You child, you child
You child, you child
What's warmer than
A sun drenched land?
Your hand
Your hand
Your hand
