Hope (feat. Winona Oak)

The Chainsmokers

I would have walked through
Fire to kiss your lips
Do you still think about it
Of what you did?
Still see your old apartment
Like a bad trip
Wish I could forget all the
Places we've beenHard and heavy with your goodbyes
Boy, you know how to make a girl cry
We're sleeping in a bed full of lies
And now than I'm older, I can see why
You make me feel high
'Cause you had me so low, low, low
You all losing time
'Cause you stunted my growth
Growth, growth
I only wanted you 'cause I couldn't have you
Now that I know
That wasn't love, that wasn't love
That was just hopeThat wasn't love, that wasn't love
That was just hopeAlways another bender, I lose control
I thought I'd get it back when
You came back home to me, darling
But I never had it, did I? You're hard to treat
And all the magic we felt, was just a hit
Hard and heavy with your goodbyes
Boy, you know how to make a girl cry
We're sleeping in a bed full of lies
And now than I'm older, I can see whyYou make me feel high
'Cause you had me so low, low, low
You all losing time
'Cause you stunted my growth
Growth, growth
I only wanted you 'cause I couldn't have you
Now that I know (Now that I know)
That wasn't love, that wasn't love
That was just hopeThat wasn't love, that wasn't love
That was just hope'Cause you had me so low, low, low
You all losing time

'Cause you stunted my growth, growth, growth
I only wanted you 'cause I couldn't have you
Now that I know (Now that I know)
That wasn't love, that wasn't love
That was just hope
