

# Solitude is Bliss (Yours Truly Session)

## Tame Impala

Cracks in the pavement underneath my shoe  
I care less and less about and less about you  
No one else around to look at me  
So I can look at my shadow as much as I please All the kicks that I can't compare to  
Making friends like they're all supposed to You will never come close to how I feel (x2) Space around me where  
my soul can breathe  
I've got body that my mind can leave  
Nothing else matters, I don't care what I miss  
Company's okay  
Solitude is bliss There's a party in my head and no one is invited And you will never come close to how I feel  
(x2) Movement doesn't flow  
Quite like it does when I'm alone  
I'll be the one who's free  
You and all your friends  
Can watch me, today Don't ask me how you're supposed to feel You will never come close to how I feel (x4 fade  
out)
