

Girl Perfect

Howard Goodall & Original London Bend it Like Beck

good girl, good girl
girl perfect
good girl, good girl
girl perfect
good girl, good girl
girl perfect
good girl, good girl
girl perfect
go the distance
never settle for less and all that you body can give
that your body, that your body can give
press the music
can you handle the stress if yes, you're beginning to live
gotta keep moving, gotta keep moving
gotta commit, gotta commit
gotta go further, gotta go sportses, feeling profighter
gotta be lighter then a feather
tougher then of leather and fit
fighting fit
good girl, good girl
girl perfect
good girl, good girl
girl perfect
