

# Bella ciao

## Les MotivÃ©s

The world is waking outside my window  
Bella ciao, bella ciao, bella ciao ciao ciao  
    Drags my senses into the sunlight  
    For there are things that I must do  
    Wish me luck now, I have to leave you  
Bella ciao, bella ciao, bella ciao ciao ciao  
    With my friends now up to the city  
    We're going to shake the Gates of Hell  
    And I will tell them - we will tell them

Bella ciao, bella ciao, bella ciao ciao ciao  
    That our sunlight is not for franchise  
    And wish the bastards drop down dead  
    Next time you see me I may be smiling  
Bella ciao, bella ciao, bella ciao ciao ciao  
    I'll be in prison or on the TV  
    I'll say, "the sunlight dragged me here!"
