

# When Will My Lover Come Around

[Chris Cagle](#)

When will my lover come around, come around?  
When will my lover come around?

I got a feeling she might've skip town  
She might had enough of me, said Iâ€™m never gonna settle down  
But I thought sheâ€™d be back by now  
But Iâ€™ve been sitting out here on the front steps  
All afternoon, smoking cigarettes and wondering

When will my lover come around, come around?  
When will my lover come around?

Let the river run dry, let the mountains fall  
'Cause I'ma be right here 'till she comes back home

I got a feeling something ainâ€™t right  
I ainâ€™t heard a word from her and itâ€™s almost midnight  
I guess Iâ€™ll have to put out that porch light  
So the first thing that she sees is me sitting out here waiting and wondering

When will my lover come around, come around?  
When will my lover come around yeah?  
When will my lover come around, come around?  
When will my lover come around?
