

Baby Let Me Hold Your Hand

The Detroit Cobras

I've seen a lot of pretty boys
In my time
I never really paid them any mind
But baby since I found you
Somehow I knew
That you were the lovin' kind

Ooh, baby let me hold your hand
Baby let me hold your hand
Let me hold you real tight
And I'll love you all right
Oh baby if you hold my hand

Well my hand is right there
And I'll take you anywhere
Oh baby won't you hold my hand

Ooh, baby won't you be my man
Baby won't you be my man
Let me love you all right
And I'll love you every night
Baby if you'll be my man

Oh my man is right there
And I'll take him anywhere
Oh baby won't you be my man

Baby won't you understand
Baby won't you understand
Let me love you like I should
And I'll treat you real good
Oh baby if you understand

Love has got to me
Your love has got to be
Something really strong
Well these arms were made for just your size
So get right back where you belong

You know I don't mind darkness, baby

?

But I'm here to let you know exactly honey
Exactly where I stand

Baby let me take you home
Baby let me take you home
Let me love you right there
And I'll take you anywhere
Oh baby if you take me home

Well my home is right there
And I'll take you anywhere
Baby if you take me home.
