Maybe Tonight

The Knack

i dont know why i never said it before
i dont know why i waited so long to be sure
but i... everythings coming
somethings coming, maybe tonightfunny to think i had to clown and pretend
never knew i saw you as more than a friend
but i... come hold me tighter, come make it right
maybe tonight, oh maybe tonightever sense the day i saw you
i was blown away 'cause i knew i could not say
all the things i had to say
i was such a shy guy, i could not tell you i love you
well maybe tonight, yes maybe tonight
but i... come hold me tighter
come make it right, maybe tonight
yes maybe tonight
ever sense the day i saw you
i was blown away 'cause i knew i had to say
all the things i had to sayi was such a shy guy
i could not tell you i love you
well maybe tonight
maybe tonight
yes maybe tonight
maybe tonight
maybe tonight
