

# Meadows

Joe Walsh

Can't think of any reason  
Don't know exactly why  
Must be it's out of season  
Give it another try

I'm out here in the meadow  
Part of an old stone wall  
Stand here because he said so  
Waitin' around to fall

Some things are left unspoken  
Some things are hand me down  
The circle stands unbroken  
Sendin' it back around

I've seen you roll in clover  
Dressed for a scarecrow wall  
Too bad the dance is over  
Nothin' to show at all

Can't help but feel uncertain  
Knowing which way to turn  
They want to raise the curtain  
And you're holdin' the words to learn

I'm out here in the meadow  
Part of an old stone wall  
Stand here because he said so  
Waitin' around to fall
