

Where You Belong (feat. Dean Fraser)

Gyptian

ooh ohh yeah
ohhh yeahohhhh na na na noooo waaay
into my arms thats where your sopost to be baby right here right now thats where you belong
and
there is no other to do you like me baby
no other loves you like me
oh girl
you can search the world to find love cause my love baby is your love i bet no other treat you like me
x2
in my arms where you belong my queen
for ever baby you should be with me
aaaoooo aaaooo
no body to my heart but you baby
you love me till your baby drive you crazy
no ifs no buts i tell you maybe
every thin you do you know it fasanates me
theres nothing in the street that entertants me you can search the worl you wont find love cause my love baby is
your i bet no other treats you like meeeeeeeee
in my arms where you belong my queen for ever baby you used me with me aooooo rain drops falling on my
roth tops and i dont wanna move noooooooooo x2lee loves this song my prnce love you wrote this about you
