

# Long Way Down

Tom Odell

Walking on the rooftops  
Talking of time  
With our eyes a glowing  
Like the city lights  
She stands on the ledge,  
She says, 'it looks so high' You know it's a Long way down  
Feels like a long way down  
Feels like a long way down  
Like a long way down  
So honey don't leave, don't leave,  
Please don't leave me now 'Cause I can feel the rivers  
Winding through the lands  
Two lines, and a poet  
Like a kind old rye  
You know we could talk in that language  
Only we understand But you know, honey It's a long way down  
You know it's a long way down  
Feels like a long way down  
Love it feels like a long way down  
So honey don't leave, don't leave,  
Please don't leave me now
