It's You (Remix)

Lenny Keylard

It was a glance that caught in my eye
I just felt something that makes me feel fine
Don't know why, or what to say oh yeah eah eah
Sitting for hours and feel like a fool
I made up my mind girl and know what to do Yeah
Writing a song to tell you the truth Yeah. Oh yeah eah eah
Cause. Girl I don't know what your name
But I want you here to stay
Cause I love to see the sun go down with you
Baby it's true. Darling, It's you eah eah eah
And I love to see dem nice brown eyes of you
Baby it's true. Darling. It's you
I look at her eyes, and see how she smiles
You are the sunshine right into my life
Lift I so high in every day. Ooh yeah eah eah
Girl. So lisn what I have to say
Girl I want you here with me
Cause I love to see the sun go down with you
Baby it's true. Darling, It's you eah eah eah
And I love to see dem nice brown eyes of you
Baby it's true. Darling. It's you
Sharing the time with you and I love it
Wish I would never to stop it again
Feeling true, or like it, what you say, I get it
When the day is turn to night my thoughts are still there with you yeaah eaah
Cause I love to see the sun go down with you
Baby it's true. Darling, It's you yeah eah eah
And I love to see dem nice brown eyes of you yeah eah eah a
Baby it's true. Darling. It's you eah eah eah
And I love to see dem nice brown eyes of you yeah eah eah a
Baby it's true. Darling. It's you eah eah eah
Whoooh It's you
